Dear loving Donors,

Your loving child Anushila Writes this warm letter to you with love. I and my family members are fine with good health. I expect the same from your side also.

All our family members sent their regards to you. Right now I am enjoying my school days. I am going to school with neat Uniform, Bag, Books, Shoes all this I am enjoying with your help and blessings only. The money which you sent me was very much useful for me to pay my school Fees and to purchase all my school needs. I will never forget that in my lifetime. I am praying for you every day in my daily prayers please convey my regards to all your family members. I am studying well and going to school.

I finished my Mid Term exam I have done well and have taken A+ grade in all the subjects.

I am taking part in all the activities which are cond in the school. My classteacher is very kind with me she teaches me very me very well. All my friends sent their regards to you.
