Dear Loving sponsors,

the month December.

How are you? How is your  
Health? Here my family and I  
keeping good health. I have successfully  
completed my 5<sup>th</sup> std now stepping  
into 6<sup>th</sup> std. Because of your sacrifice  
this year my studies went on very  
smoothly. I remain grateful to you  
on the 17<sup>th</sup> of December we the Asha  
sponsored children celebrated the  
Christmas with Holy Mass followed by  
cultural programs. We were given  
nice blanket as Christmas gifts. This  
year's camp was very unique one.  
We came to know about the  
child rights and also the values  
Brothers of the archdiocese of Bangalore  
-ve helped us and conducted the  
camp for us. I along with my  
family celebrated the Easter  
in a very grand manner. We  
attended the Holy

Mass. Once again along with my  
family members I extend you  
heartfelt thanks.

Thanking you
